To Whom It May Concern:

As State Representative for the 77th District in St. Louis County I am happy to be writing a letter of support for Quiet Voices. Ms. Ford came to me with her ideas about the project when it was just a thought and a dream. After our meeting I realized what a valuable tool this will be to many of my constituents in the public and private sector.

Ms. Ford saw a need and put forth the time and effort to bring this kind of technology to those individuals who cannot communicate through speech. Quiet Voices is an innovative product and idea, and I support Ms. Ford wholeheartedly in her efforts.

Sincerely,

Michael G. Corcoran
