

ChildQuest Daycare & Learning Center

August 2, 2007

To whom it may concern:

I am writing in support of the project Rebecca Ford is working on. Becca assisted me with administrative responsibilities at my preschool. ChildQuest Daycare & Learning Center has benefitted from her resourcefulness, kindness and professionalism.

Becca has a wealth of knowledge in securing resources in the areas of Early Childhood Development, and has worked with children in the Special School District. She appears confident, trustworthy and personable. It is with pleasure that I write and recommend Rebecca Ford for future endeavors that promote healthy communities and quality education for adults and children.

Sincerely,
